

Steve Lehmann, Great Lakes Chi Alpha

Growing up in a pastors home, Steve came to Christ at the age of 18. He attended Central Bible College graduating from North Central Bible College in 1985. Steve has served as a youth pastor, college and career pastor, and Chi Alpha director of Eastern Michigan University for 17 years. While at EMU he pioneered King of Love University Church with his wife Belkis and served as senior pastor of the church.

In 2006 Steve experienced one of the greatest moments of his ministry career when three of his former students now Assemblies of God missionaries, took over the leadership of the church he and his wife planted. In total they've seen 15 of their former students enter vocational ministry as well as others who have completed their Campus Missionary in Training internship program.

Steve currently serves as the Great Lakes Area Director. In this role he is responsible for mobilizing and resourcing workers for the 600 plus campuses of Indiana, Illinois, Kentucky, Michigan, and Ohio. He also provides pastoral care to the missionaries and campus workers of these states. Steve's a true pioneer always blazing new trails. His passions are music, history, and the outdoors.

Steve married his friend and ministry partner Belkis, an ordained Assemblies of God minister, in 1992. Together they have two children: Sofia and Gabriel.
